

Help us Keep Game Land Trails Open

At the request of the PA Game Commission, the PEC Trail Committee asks that anyone with knowledge of any designated trails or other routes on the game lands, with equestrian use, furnish us with info regarding those trails/routes no matter how long or short they may be.

Additionally, if you know of anyone else with knowledge of Game Land trails/routes used by equines, please request that they contact us by email or phone with pertinent information.

The Game Commission has stated trails that are not being used or Trails they do not drive on **will be closed** if not maintained by a volunteer group.

We will protect your personal information.
